Item description from the seller

This auction is for a white Corning Ware roaster. P-21

Avocado Green Wheat Pattern

It is in good used shape. No chips or cracks that I can see. There is some marking on the bottom from the stove and storage. I ran through the dishwasher. It is from a smoke free home. It has been on the shelf for years. It has not been used for at least 8 years. Probably more.

Please ask any questions before bidding. Thanks for looking and have a great day.
